

# Evolution® 100 Red

## Category Benefits

- Food waste is ground into particles and flushed away in seconds
- Clean, hygienic, convenient and simple to use
- Easy method to manage food waste in the home, saving you time and helping to minimise trips to the outside dustbin
- Permanent in-house solution that is compact and sits under the sink without taking up valuable storage
- Easy to install into new or existing kitchens and can be fitted to most sinks
- Environmentally responsible, helping reduce the amount of waste that goes to landfill sites

## Features

- Evolution quiet technology - quieter than standard model
- Evolution 2-stage grind technology
- Auto-reverse grinding action
- High-torque Dura-Drive induction motor
- Built-in air switch
- Compact design
- 5 Year guarantee
- Stainless steel grind elements
- Overload protection
- Quick Lock mounting assembly for faster, easier installation

## Sample Specification
